Dr. Stanley Falk

STAT

Dear Stan,

Having just got your address, I'll send along the copy of Neal Petersen's SHAFR paper, "Intelligence and U.S. Foreign Policy 1945-1954," that you asked for. I'll also enclose a copy of a reference booklet we produced earlier this year, Directors and Deputy Directors of Central Intelligence: Dates and Data, 1946-1983, which might interest you.

It was good to see you at the SHAFR conference, and I trust I'll see you at other such scholarly gatherings soon--perhaps at the SHFG dinner next month.

Sincerely,

J. Kenneth McDonald  
Chief Historian
